

VANASTHALI PUBLIC SCHOOL

Friends, sun, sand, and sea that sounds like a summer to me.

Dear Parents,

Warm Greetings!

The academic session 2022-23 has begun in full swing and students are well settled in their classes. Its Summer Time again and Vacations are about to commence. To ensure that the children have constructive holidays, assignments, activities and projects are being given as a part of holidays homework.

- ❖ Let your child make use of his/her own imagination, creativity and knowledge to do the assigned tasks.
- ❖ Original work of students will receive greater recognition and appreciation.
- ❖ 5 marks will be awarded for each subject as a **SUBJECT ENRICHMENT ACTIVITY** and the same will be displayed in the school's display board.

Encourage your children to pursue their hobbies (**SUMMER CAMP**) and to keep reading during the holidays as it stimulates imagination, enhances creativity, develops language skills and increases comprehension levels.

The summer vacations for the students is from **23/05/2022 to 26/06/2022** (both days inclusive). The school will re- open on **27/06/2022**.

Wish you and your family a happy time together during the vacation.

Coordinator

ENGLISH

It is time to come out of your routine work and give vent to your imagination and be the explorer of your own kind

1. Make a creative magazine. Your magazine must have:
 - Attractive cover page with suitable name
 - Article on the “Health and Fitness”
 - Cartoon strips
 - Jokes
 - Crossword puzzle
 - Write a self- composed poem on the theme “Summer”
 - Paste 3-4 pictures of animals and write their habits, qualities, and the things you like to adopt from them.
2. **Vocabulary Enhancement –**
Read a newspaper everyday and find out five difficult word of your choice per day and write their meanings and antonyms in a separate folder.
3. Suggested movie to watch during the summer holidays.
 - Movie- Matilda (YouTube)
4. **Creative Dialogue Writing -**
'Being Human'
Create dialogues between you and your friend with reference to the poem 'Somebody's Mother.

HINDI

Human Digestive System

Description: Divide the human digestive system into various stages.

Draw a flowchart depicting various stages of human digestive system along with the organs involved. Also take different coloured papers. Cut them into various shapes resembling with that of the human digestive organs such that one colour represents one organ. Paste them into A4 size sheet making the complete human digestive system. Label various organs.

Activity 4

India is recovering from an unusually early and prolonged heat wave that began in March and went on till April, bringing with it record temperatures for both months. Respite will be short lived, the Indian Meteorological Department (IMD) has said, as another heat wave is likely to set.

“It’s only now that we’re beginning to look at the impacts of heat waves more holistically, looking at the effects on health, livestock, agriculture, and infrastructure. Otherwise we relied on just temperature and mortality,” said Anup Kumar Srivastava. An expert on heat waves, Kumar is a consultant working with the National Disaster Management Authority (NDMA). Now answer the following questions:

1. What are heat waves?
2. List various sources from where heat waves are coming.
3. How heat waves are affecting our environment.
4. What is its impact on human health?

Parameters: Authenticity of contents, presentation, analysis and creativity.

SOCIAL SCIENCE

HISTORY PROJECT

1. THE MUGHAL EMPIRE Pg 48 & 49 OF THE TEXTBOOK

Make a project file on the six important Mughal Emperors. Research and collect information about them. Paste pictures.
